VENUE PORTFOLIO
2027

DEAR PROSPECTIVE CLIENT

OCULAR Lounge & Events Space on Level 6 of the Zeitz MOCAA is a multi-functional event and eatery space which looks out onto the museum's Rooftop Terrace. It truly is a breathtaking event venue which can accommodate up to 200 guests with a 270-degree view of Cape Town, and possibly the best view of Table Mountain in the city.

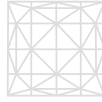

The Aleit Group, renowned for its spectacular, high-end events and weddings for nearly 20 years, has been appointed by the Zeitz Museum of Contemporary Art Africa (Zeitz MOCAA) as the exclusive restaurant and event operator throughout the museum. This includes the management of the multi-functional OCULAR LOUNGE AND EVENTS SPACE on Level 6, as well as all events hosted within the museum.

For anyone looking to host a remarkable event, the museum space is unlike anything on the continent. In fact, it is arguably unlike anything in the world. Available for private functions, after hours, the Atrium is an exceptional space for arrival drinks and canapés.

We explore you to come and experience the venue for yourself.

Our dedicated project management team would be delighted to guide you through the space.
